Memorandum

TO :

FROM :

DATE: 5 September 1974

SUBJECT: Murphy Commission Study Candidate

1. I checked with [] (see my original memo attached) on 4 September regarding his willingness "in principle" to do a study for the Murphy Commission. He would be willing to consider a proposal and expects to be in the area at least through October.

2. Although per our discussion yesterday [] services are probably no longer needed for the studies presently contemplated, I forward this to you for your file against the possibility that Kent Crane or others from the Commission may come up with sudden new requests for temporary help.
